Influence

- This is a *challenge* so – **make sure you have your say!**
- 1. Hold Councillors and MPs to account**
 - All should know & represent your views
 - Councillors are Highways England official “**stakeholders**”
 - **They could be our “champions”** being “active” not “passive”
e.g. help ensure meaningful format for all consultations
 - 2. Consultations – take part**
 - “The Arc” - Summer 2019
 - HE Route options - Autumn 2019
 - HE Preferred route - Autumn 2020
 - 3. Talk to us about other ideas....**

Thank you!
